To whom it may concern:

TESTIMONIAL FOR IYLIAS AYDIN M RAHIZAN

Iylias was selected to join the Youth Community Outreach Patrol (COP) programme in Outram Secondary School in 2023. Youth COP is a youth leadership programme in crime prevention – a tripartite partnership programme between SHINE Children and Youth Services, Bukit Merah East Neighbourhood Police Centre (NPC) and Outram Secondary School. Youth COP members play the role of Crime Prevention Leaders in the school and the community. Students are required to pass their Selection Interview to be accepted into the programme.

Iylias performed exceedingly well for his Qualifying Training in 2023 and was subsequently appointed to be an official Youth COP Member in September 2023. He impressed the trainers with his active participation and commitment towards the programme through his regular attendance and positive attitude shown.

Iylias had served in numerous roadshows and outreach patrols with police officers to disseminate crime prevention advisories to the community. Despite initial discomfort and unfamiliarity with the role and the courage to speak to members of the public, Iylias was observed to step up and out of his comfort zone to engage and perform his duty. Besides, he also encouraged and supported his peers to do the same - role modelling for others through his action. Iylias has shown consistency throughout his 3 years in Youth COP, with over 95% attendance for Youth COP sessions.

In 2025, Iylias attended the Youth COP Advanced Leadership Training. He volunteered to be part of the Logistics Team to execute a Combined Schools Youth COP Year End 3 Days 2 Nights Camp for over 150 Sec 1 and 2 Juniors from 6 schools. Iylias had full attendance for weekly planning sessions over 2 months, while demonstrating responsibility and determination throughout the rigorous planning sessions. During the 3-day 2-night camp, despite long hours of serving his juniors, he pushed through and encouraged his teammates to do the same. He was ready to execute any tasks given to him efficiently and promptly. In recognition of Iylias unwavering contributions in Youth COP, Iylias was appointed the highest rank in the program – Youth COP Consultant in February 2026.

All in all, Iylias remained consistent in his commitment and contributions during his time in Youth COP. He has shown growth in maturity and leadership posture through his openness to learn, take initiative, and reflect. These positive qualities are expected to serve him well in his continued journey of learning and development.

Yours sincerely,
